Examiner:

Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450 Sir: It is requested that the information identified in this statement be considered by the Examiner and made of record in the above-identified application. This statement is not intended to represent that a search has been made or that the information cited in the statement is, or is considered to be, material to patentability as defined in 37 C.F.R. \$1.56. If this is a continuation, divisional or continuation-in-part application, it is understood that the Examiner will consider all information which was considered by the Office in a parent application, MPEP \$609. Such information therefore is not listed herein unless it is desired that the information be printed on a patent issuing from the subject application. Enclosed with this statement are the following: X Form PTO-1449. The Examiner is requested to initial the form and return it to the undersigned in accordance with M.P.E.P. §609. As allowed under 37 C.F.R § 1.98(a)(2)(ii), no copies of the U.S. patents and U.S. patent X application publications are enclosed, unless required by the office. As allowed under 37 CFR §1.98(d), copies of cited documents noted with an asterisk are not enclosed because they were previously submitted in U.S. Patent Application No. / which is relied on for an earlier effective filing date under 35 USC \$120, and which included an Information Disclosure Statement that complies with 37 CFR \$1,98(a) through (c). A copy of a Supplemental European Search Report dated December 19, 2006 for Application No. \_X\_ EP 01975484.5. A copy of an International Preliminary Examination Report dated for Application No. If any of the cited/submitted documents is in a foreign language, a concise explanation of relevance is provided pursuant to 37 C.F.R. §1.98(a)(3)(I). For foreign language documents cited in a search report by a foreign patent office, the requirement for a concise explanation of relevance is satisfied by the submission herewith of an English language version of the search report, MPEP \$609A(3). If a written English-language translation of a non-English language
